Competition Time

Exciting Mascot Competition!

East and North Herts NHS Trust is running a fun competition for children aged 4 to 11 and our children will be taking part!

The challenge is to design and name a brand-new mascot to help cheer up hospital patients and spread happiness in the community. The mascot could be an animal, a person or even something imaginary. It just needs to be wearing at least one item of clothing!

The mascot should be kind, respectful and help to make things better, just like the amazing people at our hospitals.

Children will write a short description about their mascot to say what makes it special e.g. kind, caring, cheerful, comforting etc.

🏆 The winner will work with a real illustrator, see their mascot come to life, and even have it visit our school!

Why not discuss with your child what their mascot could be, so they are prepared to draw it when they come to school next week?
