Saving Water

This term the children, led by the Eco Warriors, have been thinking about ways to save water. Here are their ideas for how you also can help at home.

- Make sure the taps are turned off and are not dripping.
- Turn the taps off while washing hands and brushing teeth.
- Use rainwater to water the plants.
- Use a watering can instead of a hose.
- Take short showers instead of a bath.

Let's help save the planet together!

Our newly formed PTA (Friends Of St Mary's Schools) have an announcement about their first Joint Schools event!

School Summer Picnic

After school on Wednesday 16th July, 15:30-18:00. Parents and carers all welcome to join us for this community event.

Please bring along a picnic to enjoy with your families. There will be some stalls for games and treats. This will be run by the PTA (FOSS), and we will be in touch in the next few weeks with more plans and asking for volunteers to join us.

Police Visit

The Police will be dropping by on Tuesday 01st July to show children their police car and to give out some stickers. The purpose is for children to understand that police are people who help us.
