Safer Internet Day

On Tuesday 11th February we will be joining schools across the UK in celebrating Safer Internet Day 2025.

Safer Internet Day is a global campaign to promote the safe and responsible use of technology, which calls on young people, parents, carers, teachers, social workers, law enforcement, companies, policymakers and more, to help to create a better internet.

Using the internet safely and positively is a key message that we promote in school. Celebrating Safer Internet Day is a great opportunity for us to re-emphasise the online safety messages we deliver throughout the year.

Parents and carers with children in Year 1 or Year 2 are welcome into classes at 2.45pm on Tuesday to join in with the activities for Safer Internet Day. Please complete the below google form.
